Dear Sir/Madam

**EXTENSION OF PROVISIONAL ACCREDITATION TO CHANNEL INSTITUTE (PTY) LTD ACCREDITATION
NUMBER: ACC/2021/07/0040.**

In terms of the ETQA Regulations No: R 1127 of 1998 of the SAQA Act 58 of 1995, the MICT SETA is granted the responsibility to accredit and quality assure constituent education and training providers that deliver education and training that falls within the primary focus of the MICT SETA.

On 07 December 2021, the Quality Council for Trades and Occupations (QCTO) issued the **COVID-19 MEMORANDUM 4** which awarded extension of accreditation to all accredited assessment centres, trade test centres and legacy trade SDP's. The extension of accreditations lapsed on 01 May 2022 and while progress has been made in the process of re-accreditation for these SDP's, the process is still unfolding. In light of this, the MICT SETA with the endorsement of the QCTO has elected to award an extension of accreditation to all historically accredited SDP's who have qualified under the **COVID-19 MEMORANDUM 4**.

The MICT SETA thus awards accreditation from **11 November 2023 to 30 June 2024**. The end date is in line with the transitional arrangements for qualifications as per the attached circular.

The terms of conditions of the extension include:

1. All learners must be enrolled either on or before 30 June 2024.
2. Learners enrolled by an SDP post the enrolment end will not be eligible for exit verification.

Board Members: Simphiwe Thobela (Chairperson), Matome Madibana (Chief Executive Officer), Lesiba Langa, Loyiso Tyira, Nozibele Mlambo, Ntombikayise Khumalo, Rochelle Blaauw, Sipho Zwane, Sontaga Mantlhakga, Tebogo Mamarobela, Thabisa Faye, Thabo Mofokeng, Viwe James

3. Should an SDP have learners in enrolment prior to the enrolment end date, their accreditation will automatically be extended to accommodate the “teach out” period.
4. The “teach-out” period is in line with the qualification achievement end date noted to the 30 June 2027.
5. The SDP must ensure that exit verification requests are made no later than 01 March 2027. This will provision for the exit verification process to unfold and close-out prior to the achievement end date.
